If attending an event with two meeting places and you opt to meet the group at the second meeting place, it is imperative you let the leader know so that you can be informed of any last minute changes!!

Remember, the price of gas is high

and many members are leasing their cars where mileage is important. People should take turns driving & those without vehicles or who don't wish to drive should contribute towards the price of the trip.

Please refer to the "Car Pool Chart" under MOE Documents on the club website.

Please give the contact person a call so he/she has an idea of how many people will be attending the event.
