*The Beaubassin Centre is located in the middle of the Tantamar Marsh. You get there by going to the Irving Big Stop In Aulac and you then continue past it until you are on the marsh road where you will come to a road across the marsh and a lonely white house in the distance surrounded by a few trees...that is the Beaubassin Centre.**

The events in this newsletter have been organized thanks to the efforts of all members who attended our last planning meeting. If you have an idea for an event that you would like to see in our next newsletter, be sure to attend the planning meeting on January 7th.
