If attending an event with two meeting places

and you opt to meet the group at the second meeting place,

it is imperative you let the leader know by e-mail or telephone.

On rare occasions very few or no hikers show up at the first meeting place and the leader may then decide to cancel the hike.

E-mail addresses are in the Membership List on the web site.

Remember, the price of gas is high and many members are leasing their cars where mileage is important. People should take turns driving & those without vehicles or who don't wish to drive should contribute a reasonable amount towards the price of the trip.

Please refer to the "Car Pool Chart" under MOE Documents on the club website

The events in this newsletter have been organized thanks to the efforts of all members who attended our last planning meeting.

If you have an idea for an event that you would like to see in our next newsletter, be sure to attend the planning meeting on January 7th.
